Fun Way Learning Company, Inc., United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.OBVIOUS ADAMS was first published as a short story in the Saturday Evening Post in April, 1916. Though it was the story of an advertising man, it was quickly recognized as presenting a germ idea basic to outstanding success in the business world and the professions. Harper Brothers brought out the story in book form in September of the year of its publication in the Post. The book met with a ready sale. In reviewing it, the New York Times said, The young man who is going to seek his fortune in the advertising business should have Obvious Adams for a handbook. Indeed, any young man who is going to seek his fortune in anything might be aided by the common sense and business acumen displayed in this little volume. Obvious Adams soon became a legendary character. He was quoted in business conferences and at board meetings. Heads of companies wrote the author to ask if the hero of the story was a real person; that if he was they wanted to engage his services. His obviousness influenced the thinking of some of the outstanding industrial leaders of the day. Fun Way Learning Press is now proud to publish a new Business Edition of this classic text, updating some of the author s original usage and including a Manager s Toolkit for the business owner or executive who wants to leverage the obvious in his or her own business.
