

## Bodies of Worship: Explorations in Theory and Practice (Paperback)

Filesize: 2.17 MB

### ***Reviews***

*This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).*

*(Prof. Ophelia Wiegand I)*

## BODIES OF WORSHIP: EXPLORATIONS IN THEORY AND PRACTICE (PAPERBACK)

Liturgical Press, United States, 1999. Paperback. Book Condition: New. 227 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One of the hallmarks of modern society has been a heightened awareness of human bodiliness in all aspects of life - sexual, economic, legal, religious, and so on. Academia has also experienced a heightened awareness of the body. Along with the academy and wider society, Christian theology and pastoral practice have sought to take human bodiliness more prominently into account. However, the ambiguous career the body has had in Christian history and tradition, as well as the serious criticisms leveled by secular society at the Church's teachings and practices concerning the body, has made this a challenging task. *Bodies of Worship* takes on that challenge. First, it systematically explores the various bodies engaged in the Church's worship - ecclesial, ritual, personal, and cultural. It examines each in light of how such humanly sanctifying work continues Christ's mission in the power of the Holy Spirit. The five chapters of Part One are purposefully arranged so they unfold the multivalency of bodies at worship, thus displaying a certain theological coherence. Then the four chapters in Part Two describe and analyze specific liturgical, physical, and spiritual practices. These chapters offer further insights into the irreducibly bodily nature of the celebration of the Christian life as worship of God. The entire work is introduced by means of a narrative that describes an actual liturgy which took place just a few years ago. A brief conclusion reflects back across the landscape of the chapters to the narrative and symbolic basis for liturgical theology insofar as it is, at origin and end, practical and pastoral. Chapters and authors in Part One are the introduction \*Initial Considerations: Theory and Practice of...
