*****.Grieving and Growing was written by a certified child life specialist and offers tried and true activities for helping children of all ages with grief and loss. In order to successfully navigate the healing journey when a loved one dies, a child needs both play and the presence of a caring adult. The activities in this book provide opportunity for legacy building and processing challenging emotions. There are spaces for self-reflection to help you gain insight and understanding of your child's unique needs; and to develop effective strategies to help you and your child connect and grieve well together.
