POLYPHONIC SCARS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.As a poet of the net-generation, Lisa Luxx grew up online. Clutching a cellular device, which stood in for teachers, lovers, friends, and self. But after waking up, sobering up and looking up from technology she realised her peers are in deeper than she thought. Losing their minds, identity and future in the digital vortex that swallowed us whole. In this short collection of poems, Lisa Luxx charts the existential fears of a generation who ve grown up trusting mobiles more than people. She provocatively suggests ways in which we may hold on to our human sensibilities.
