An Essay in Refutation of Atheism (Classic Reprint) (Paperback)

By Orestes Augustus Brownson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Essay in Refutation of Atheism It is not without some misgiving that I present the following essay to the public; not, indeed, because I have any lack of confidence in the soundness of its principles, or the combined analytical and synthetic processes by which I attempt to demonstrate the existence of God, the fact of creation, providence, the moral law, and the ground of man's moral obligation to worship God; but from a consciousness of my inability to do justice to the great thesis I have undertaken to defend, and my distrust of the disposition of the public to receive and read with patience what is most likely to be treated as a metaphysical disquisition, and therefore as worthless. Nobody now reads metaphysical works, or any works that pertain to the higher philosophy, and especially such as attempt to vindicate theology as the science of sciences. All I can say is, that my essay is not metaphysical in the ordinary acceptance of the term, does not attempt to construct a science of abstractions,...

Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.
