Brand New Book ***** Print on Demand *****.*Includes pictures *Includes passengers and crew members accounts of the attack and sinking *Discusses the debates over whether the Lusitania was smuggling weapons *Includes a bibliography for further reading In 1906, the RMS Lusitania was at the forefront of transatlantic shipping. Briefly the largest ship in the world, the designers and engineers who built the Lusitania aimed for her to represent the height of luxury for passengers while also being the harbinger of a new technological age, replete with revolutionary engines that would allow the gigantic ship to move at speeds that would have been considered impossible just years earlier. Indeed, the highly competitive industry would spur the development of bigger and better ocean liners in the coming years, the most famous being the Titanic. The Lusitania and the Titanic would become the two most famous ships of the early 20th century for tragic reasons, but the circumstances could not have been more different. While the Titanic is still notorious for being the world's best ocean liner at the time of its collision with an iceberg in...
