Love sharks because they balance the marine ecosystem by keeping population under control. Love sharks because they are here to stay. This shark-inspired picture book will teach you all there is to know about these amazing beasts. Since it's a picture book, lessons will be remembered more effectively through photo memory. Order your copy today! Did you know, though, that many sharks could fit inside of your hand? Not all sharks are menacing; the few that are just get all the attention. You are more likely to die from the flu than you are from a shark attack. Following that logic, you should be more fearful of snotty-nosed kids than you are of sharks. Sharks are fascinating creatures. Did you know that they have six senses? Do you know what kind of skeletons they have? They don't have bones! Do you know whether they lay eggs or have babies? Do you know that they make Mermaid's Purses? There are many interesting things to learn about...
