Imperial War Museum, United Kingdom, 2014. Paperback. Book Condition: New. 218 x 182 mm. Language: English . Brand New Book. Recruitment, propaganda, rationing, fundraising - during the First World War posters were used to inform and rally the public as never before. Many of the designs remain icons today, for example Kitchener s pointing hand or Daddy, What Did YOU do in the Great War? . This book has those, plus forgotten gems from Britain, Germany, France, Italy and America. A fascinating slice of social history and a wonderful resource for designers.
