Paperback. Book Condition: New. Paperback. 288 pages. The Christian radio talk show host asked the well known womens ministry leader the question, So what do you think about the statement that men in the church have been feminized Her immediate response was, I totally disagree. Men in American have not been feminized at allthey have been emasculated. Men dont feel a need to be more like womenthey just have lost their identity as men. This book begins with the true story told by a washed up minister whom God forgave, healed, restored, and reenlisted in his service. The real story lies, however, how a few men, discontented with the detachment of men in their church and inspired by the Holy Spirit, discovered a pathway to re-engagement as Gods man in this houror maybe real engagement for the very first time. Many of you, who chose to read this book, may have suffered through some potentially debilitating failures. We have much in common, my friend. In fact, I have learned to not trust a man until he has shown me his scars. Welcome to Warrior Boot Camp! The reader will take a journey through a season of breaking down and shredding of the things of this world that have insidiously crept like tendrils into our hearts and minds. We will then explore the practical military view, including strategies and tactics, that is pervasive throughout scripture, regarding our calling to engage and win the spiritual war against our three foes: -The world system- The carnal human nature- The demonic spiritual realm led by SatanThe second half of the book builds up the reader with the understanding of how to dress for success in the Kingdom by putting on and effectively fighting in Gods armor (Ephesians 6). Warriors must be expert in weaponry...
