Brand New Book ***** Print on Demand *****.Excerpt from Review of Professor Palfrey s Sermon, Entitled the Claims of Harvard College Upon Its Sons The dust of Dunster bellows, and the fresh inscription over what was mortal of his successor, one of the great English scholars in the days when there were giants, the friend of the blessed Usher, and exiled victim of the egregious Laud. A little further, in another direction, is the site of the humble meeting-house, where the ecclesiastical fathers of New England were convened to establish their Platform of Church Discipline; and, in another, are yet traced te mains of the primitive fortification, which secured the hamlet, then intended for a metropolis, against surrounding savages. To come down to later times, if, from the spot lately ocon pied hy a church, within which sat the convention that fi-amed the constitution of 1780, we wend our way by an avenue, which the commissioners for laying out a western road re ported that they had carried as far as watertown, and that was as far as ever would be needed, we shall presently pass the magnificent tree beneath which Washington issued his first order to an American army, and the mansion where his head-quarters were kept, while he was worrying out our British visitors from beneath the shelter of those three sisters eminences.
