Summary: Biography & Memoir of Judy Garland. An extensive background in anthropology and social sciences gives Joan Coulson a view of Judy Garland through a personal lens. She analyses Judy's childhood using Michael Apted's documentary, 7UP, based on the Jesuit saying, "Give me the child until he is seven and I will show you the man." Coulson witnessed firsthand many of Judy's legendary concerts and television performances-meeting Judy several times in person, attending recording sessions, visiting TV and film sets, watching Judy work live with conductors and orchestras through the years. Her recollections of her time with Judy bring the Judy we love alive-charismatic, charming, kind, and witty.
