Fiercely independent Janie Jansen has always believed there were worse things in life than being blind, and she's spent her life proving it. She's moved away from her overprotective parents, built a life in New York City, and is one of the top technical editors in her company. That is, until an unfortunate accident turns her life upside down and she's forced to give up the very independence she's worked so hard to achieve. Firefighter Boyd Hudson pushed past his tragic past and is weeks away from accomplishing his ultimate dream being accepted into medical school. His intense focus on his goal while working three jobs has taken its...
