The Honest Leadership and Open Government Act of 2007 requires that GAO annually (1) determine the extent to which lobbyists can demonstrate compliance with disclosure requirements, (2) identify any challenges that lobbyists report to compliance, and (3) describe the resources and authorities available to the U. S. Attorneys Office for the District of Columbia (the Office), and the efforts the Office has made to improve its enforcement of the Lobbying Disclosure Act of 1995 as amended (LDA). This is GAOs fourth report under the mandate. GAO reviewed a stratified random sample of 100 lobbying disclosure reports filed from the fourth quarter of calendar year 2009 through the third quarter of calendar year 2010. GAO also selected two random samples totaling 160 reports of federal political campaign contributions from year-end 2009 and midyear 2010. This methodology allowed GAO to generalize to the population of 55, 282 disclosure reports with 5, 000 or more in lobbying activity. GAO also met with officials from the Office regarding efforts to focus resources on lobbyists who fail to comply. GAO provided a draft of this report to the Attorney General for review and comment. The Assistant U. S. Attorney for the District of Columbia responded on behalf of the Attorney General that the Department of Justice had no comments on the draft of this report. This item ships from La Vergne, TN. Paperback.
