

Time and Materials: Poems 1997-2005

Filesize: 1.42 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ecco. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 8.9in. x 6.0in. x 0.3in. The poems in Robert Hass's new collection his first to appear in a decade are grounded in the beauty and energy of the physical world, and in the bafflement of the present moment in American culture. This work is breathtakingly immediate, stylistically varied, redemptive, and wise. His familiar landscapes are here San Francisco, the Northern California coast, the Sierra high country in addition to some of his oft-explored themes: art; the natural world; the nature of desire; the violence of history; the power and limits of language; and, as in his other books, domestic life and the conversation between men and women. New themes emerge as well, perhaps: the essence of memory and of time. The works here look at paintings, at Gerhard Richter as well as Vermeer, and pay tribute to his particular literary masters, friend Czeslaw Milosz, the great Swedish poet Tomas Transtr mer, Horace, Whitman, Stevens, Nietzsche, and Lucretius. We are offered glimpses of a surprisingly green and vibrant twenty-first-century Berlin; of the demilitarized zone between the Koreas; of a Bangkok night, a Mexican desert, and an early summer morning in Paris, all brought into a vivid present and with a passionate meditation on what it is and has been to be alive. It has always been Mr. Hass's aim, the New York Times Book Review wrote, to get the whole man, head and heart and hands and everything else, into his poetry. Every new volume by Robert Hass is a major event in poetry, and this beautiful collection is no exception. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
