Anness Publishing. Hardback. Book Condition: new. BRAND NEW, The Gardener's Guide to Propagation: Step-by-step Instructions for Creating Plants for Free, from Propagating Seeds and Cuttings to Dividing, Layering and Grafting, Richard Rosenfeld, This title offers step-by-step instructions for creating plants for free, from propagating seeds and cuttings to dividing, layering and grafting. This is a complete practical guide to propagating your own flowers, trees, shrubs, climbers, wet-loving, bog and water plants, and vegetables and herbs. It covers all the standard techniques including sowing seed; taking cuttings; dividing plants; growing suckers and offsets; layering; creating extra bulbs, tubers and corms; and, grafting two plants together. There is an A-Z directory that lists 375 plants for propagating, describing each plant's size, colour and shape, where they are best grown, and how and when to propagate. This title includes advice about equipment, from specialist secateurs and garden knives to biodegradable pots and cold frames, as well as how to improve your soil and make compost. It is beautifully illustrated with over 1100 clear and informative photographs. The book begins with techniques for growing plants from seed. Next, there are instructions for taking cuttings from established plants and taking leaf and root cuttings -...
