

Queen Cora, or Slavery and Its Downfall (Classic Reprint) (Paperback)

Filesize: 7.1 MB

Reviews

This publication is worth getting. This is certainly for those who statte that there was not a well worth studying. Its been written in an exceptionally simple way in fact it is only after i finished reading through this ebook in which in fact transformed me, modify the way i believe.
(Mr. Hester Prohaska DVM)

QUEEN CORA, OR SLAVERY AND ITS DOWNFALL (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Queen Cora, or Slavery and Its Downfall In addressing myself to the Ladies of England, France, and America, as also to the Sons of Humanity throughout the civilized world, I hope the work now before them will save me from the charge of arrogance or presumption. Surely but few excuses can be necessary for any work, however humble its merits, which has for its object the unmasking of the monstrosities of the Slave Trade, and holding them up to universal execration. Therefore, in grappling with the subject, let no mercenary motives, or fear of man, induce me to mar my meaning with any mincing modesty or garbled abstrnseness: but let truth and justice direct my pen and illumine my undertaking with that plainness and sincerity, so that the humblest capacity may read with ease and pleasurable comprehensiveness, and if I shall awaken any dormant sympathy, or enlist but one honest heart in the cause of suffering humanity, or furnish the Abolitionists with but one clinching observation, why then it will be quite clear, that I have not lived and written in vain, since I shall leave the world better than I found it. Experience unhappily has taught us, that kindly reasoning and gentle remonstrance have proved not only ineffectual, but have acted as a powerful stimulus for the most gross and rancorous abuse from that band of murderous delinquents the slaveholders of America, who in their low cunning misconstrue gentleness and forbearance into fear or supineness, and hence their torrents of offensive invectives and arrogant threats. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book...
