## THE COMEBACK TRUMPET PLAYER (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 274 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Comeback Trumpet Player book can be used by all trumpet players - whether you've laid-off 2 weeks, 2 months, 2 years, and especially 20 years or more this book will get you in shape and keep you in shape too. The CTP system consists of four sessions per day: warm-up, tonality study, Arban's book studies, and endurance/range/musicianship studies. This will take approximately two hours per day divided into four sessions, with breaks in between. Don't try to play all of the assignments in one session, you really do need the rest to keep your embouchure fresh all day and ready again for the next day. If you cannot commit to two hours per day, then go with one hour per day and play every other exercise in the lessons on day one, then on day two play the ones you skipped, on day three alternate back to the ones you played on day one, and so on back and forth throughout the week. And spend two weeks on each lesson instead of one week, or longer if needed, when using this pattern. IMPORTANT NOTE: The book has a total of 138 pages, which includes 8 pages of music for the warm-up routine session, 48 pages of music for the 12 tonality studies session, and 22 pages of music for the full range studies session, plus there are 52 pages of step-by-step lessons, one per page. For the fourth session of each lesson, you will need an Arban's book for trumpet that correlates to the page numbers I have used. If you already have a copy, check a few of the lessons to see...
