

## I Came, I Saw (Veni, Vidi): More Than a Memoir (Paperback)

Filesize: 9.64 MB

### ***Reviews***

*A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Dr. Isabell Wiza DDS)*

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is my story. It is about what I did, saw, felt, learned, loved, hated, and accomplished during my lifetime. As I review my life I think of now versus then, compared to what my parents said then, and what I believe now. I go back and forth in my lifetime in order to demonstrate or accentuate the internal feelings I had at the time or what I think about it now. I digress a few times because of what the issue or event helped me to recall. Sometimes I am very critical, even mean as I become angry now or recall my anger then about certain events, people or issues. No apologies for that. I call it Veni, Vidi because I came and I saw. There is no Vici because I conquered nothing. I state that it is more than a memoir because I found myself attempting to do some education and stating opinions more than once, because that is the way I am. I tell a few powerful stories regarding intensive care nursing. There is a lot on Catholicism and how I refuse it. I divulge my experiences with men - tune in. I describe my feelings while my brother was dying. I share my knowledge of and experiences in nursing, safety and accident prevention, ergonomics, and six sigma quality. I think about what I did and the incentives and influences I had to get me here. Where is here, anyhow? Well, it is being retired. It is being able to sit on my couch and write a book. I am so fortunate. In the last few days at work someone asked me if I...
