Brand New Book ***** Print on Demand *****.This book will help investment professionals pass the Series 7 General Securities Representative Qualification Examination. It is a study guide in outline form. There is a section for each topic covered on the Series 7 exam, including regulatory requirements, customer s profile, customer accounts, business conduct, orders and transactions, ethics, the primary marketplace, the secondary market, economics, analysis, equity securities, debt securities, packaged securities, options, retirement plans, and savings accounts. The study outline includes details on the math formulas needed for the test. The study outline is based on the exam syllabus and contains the information on the required knowledge areas that could most likely be asked in the form of a multiple choice question.
