Reise Know-How German - word by word (Deutsch als Fremdsprache, englische Ausgabe)

By Bob Ordish

Reise Know-How Rump Gmbh Nov 2015, 2015. Taschenbuch. Book Condition: Neu. 145x106x17 mm. Neuware - This language guide book helps you take your first steps in German quickly. Kauderwelsch books are more than your standard phrase book but not full-fledged text books either. They aim to teach you just enough to get along, so you can start using German in everyday life. The books can also serve as a head start for those who want to learn German more thoroughly later. At the core of the book is a word-by-word-translation: each sentence is translated both literally as well as into proper English. This helps to understand how the German sentence is built up and get a feeling for the language. As you dive into the oddities of the German language you will also find out about contemporary life, food, accommodation and many other things which travelers will encounter in Germany. The Kauderwelsch series is one of the biggest language book series in the world. There are more than 220 titles in German which cover all the world's major languages and many which may be labeled as exotic - after all, 'Kauderwelsch' can be translated as 'gibberish'. +++ Also available:...
