General Accounting Office, 2001 OCLC Number: (OCoLC)54524741 Subject: Nuclear industry -- United States. Excerpt: . . . To ensure effective use of the excepted service positions created by Title 32, we recommend that the Administrator not allocate any additional positions until thorough human capital and workforce planning strategies have been developed that reflect NNSAs final organizational alignment. Agency Comments We provided NNSA with a draft of this report for its review and comment, and NNSAs comments are included in their entirety in the enclosure. NNSA acknowledged the reports findings in each of the four management areas related to Title 32 that we reviewed. However, NNSA cited a variety of factors to explain its lack of momentum in implementing Title 32, including the events and aftermath of the September 11, 2001, terrorist attacks; ongoing operations; a slow fiscal year 2002 budget process; delays in the confirmation process for presidential appointees; and significant institutional barriers such as the need to coordinate with other federal agencies and other DOE and NNSA offices. In addition, NNSA stated that it failed to see the...
