Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Talking Gloves for the Deaf and Blind: Their Value to Men Injured in the Present War The present war has proven tremendously destructive to the faculties of sight and hearing, and the number of men who will be deaf or deaf-and-blind as a result is certain to be large. The problem of keeping these men in touch with the world about them despite the loss of their faculties is not an easy one, but the consequences of so doing are so important that no efforts should be spared to aid them. The purpose of this article is to describe very briefly one means the use of a touch alphabet with a so-called talking glove which has proven of the utmost value in the cases of various deaf and deaf-and-blind persons. Although this method of communication has, as will be hereinafter shown, been used in occasional instances during the course of several centuries, yet so little effort has been made to gather together the information in regard thereto, in the form of a permanent record, that...
