ROOSEVELT The Marvel of His Physical Energy, Nimbleness of Attention, Power of Concentration, and Volume of Information--His Clairvoyant Understanding of the Average Man---His Lack of Philosophical or Poetic Sympathy. Here may be given, of course, but glimpses of the kaleidoscopic scenes enacting daily in the White House. These may serve, however, to give an idea of the manner in which the business of the Government is transacted and of the personality of the man who directs its transaction. So great is the natural public interest in this man, so unfounded have been some personal criticisms of him widely disseminated by the less scrupulous of his na an Estimate of fldr. Roosevelt 113 opponents, and in some particulars so incomplete has been the popular conception of his character, that it may be worth while to recapitulate here the impression which...
