Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Large Print. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Newly revised and updated - February 2015. Would you like to earn money without feeling like you re working? Would you love to have a job that truly changes people s lives? Are you the kind of person who loves learning new things and thrives when showing others how to reach their AH HA moment? Have you ever considered working with children or young adults? Would you love to work when you want, on your own terms and earn the income you deserve? If you answered YES to any of the above, this book is for you! Become A Private Tutor: How To Start and Build a Profitable and Successful Tutoring Business delves into the common questions and concerns that many would-be tutors have when preparing to step into the tutoring profession. The book covers topics such as: 1. The 5 skills of an amazing private tutor. 2. How to market your tutoring business in a way that s effortless and effective. 3. How to tutor and create an income that makes a difference in more ways than one. 4. How to use the internet to attract high quality students from across the world. This is a compact yet comprehensive guide to building a business that thrives in the tutoring industry. Whether you re looking to teach from home, online or in a tuition center, this book will give you the foundation you need to get started building a business that makes a difference not just in your own life, but in the lives of others.
