Would he be able to climb as high as he had in the past? Actually, he would climb higher for what he found inside of himself. This is the second book in the RISING FROM THE ASHES series. Some of the stories are old, some are new, but each one of them played a vital part in recovery from a series of devastating strokes. Hundreds of stories from hundreds of golfers, but these were the picks that were able to make the final cut. Beautiful stories about some amazing people and their impact on the author. An interesting tale about the lengths that one man would go to reclaim what was rightfully his-- a genuine love for a timeless game.
