

Art is Everywhere: How to Really Look at Things (Paperback)

By Lorenzo Servi alias SerraGlia

BIS Publishers B.V., Netherlands, 2016. Paperback. Book Condition: New. 203 x 126 mm. Language: English . Brand New Book. In 2005 there was as a street performance in Florence that featured a white canvas with a light grey sentence reading, Art is Everywhere, temporarily exhibited on the streets. The aim of the project was to create a temporary visual emptiness: a necessary condition for opening people's eyes so that they could see the interesting layers of scratches, marks, old posters and parts of the city that normally remain unnoticed by many. Within a few years, it had become a 2 day workshop, where participants are invited to explore the city with new eyes, and were asked to complete small assignments and to document their findings with photographs. This book is the result of that experience, to forget the challenge of defining Art but understand it as a trigger for new and different interpretations of what already surrounds us. It is a meter on how we look at things, and whether we have the right tools or not to decode it. Now more than ever art is strictly related to time. Since Art is everywhere you just have to be...

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

-- **Kaya Rippin**

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
